5.	Fiajor Manyorengo (now in Wittenberg) was in	charge of technical matters at
	Lossa and supervised generally. Major Igel No war-gas scientists or technicians remain	there.

6. Moschel was the German specialist at Mockrehna.

50X1-HUM
former Colonel Wacker is still there.

50X1-HUM

7. It is reported that 61,000 empty bombs remained at Lossa in January 1948.

These were being cut into three or four pieces each by Fa. Dietrich of Calbe/Saale (145), who established a workshop at Lossa for this purpose. The scrap was then sent to various firms for resmelting.
